EU-Guidelines / Conflict Minerals / CE

RoHS

Our products comply with the RoHS Directive 2011/65/EC (for the restriction of the use of certain hazardous substances in electrical and electronic equipment incl. the exceptions according to 2011/65/EC, (Annex III)). If desired, we can issue specific declarations of conformity.

REACH

Our products contain no substances of the Candidate List according to Article 59 of the Regulation (EC) No. 19007 / 2006 at levels that exceed 0.1 mass percent. If desired, we can issue specific declarations of conformity.

Conflict Minerals

We principally comply with the stipulations of this Directive with all our products. If desired, we can issue specific declarations of conformity.

CE Labelling

Our products are not subjected to various directives of the CE regulation and are thus not labeled accordingly.

If you have question, please contact us.

Best regards
